Please park on the side streets and meet the teacher in the cafeteria. The vestibule entrance is on the left side as you face the building.

Please be sure to leave the building at or before your assigned time to allow for parking for other families. As you know, our space is very limited.

This is an opportunity for your child to visit his/her classroom, meet the teacher and organize school supplies for the first day of school. Please understand that this is not the time for a Parent/Teacher conference as the teacher needs to be available for all students. Children may come with one parent. Please, no younger siblings at this time.
