### Welcome Community School Families!

**2023-2024**

The Community School Association (CSA) is asking for parent volunteers to help in your child's classroom. Each classroom teacher will be provided with a Parent Classroom Coordinator and a list of Parent Classroom Volunteers.

**Parent Classroom Coordinator** assists the teacher directly with the scheduling of Parent Volunteers to help with crafts, celebrations, projects in and outside the classroom, and other miscellaneous activities.

**Parent Classroom Volunteers** work with their respective Parent Classroom Coordinators. Duties will vary but include:

- Sending in supplies for a craft or celebration
- Volunteering their time in class
- Helping the teacher with photocopying
- Assisting the teacher with activities that can be done from your home
- Miscellaneous activities that come up through the year

**PLEASE NOTE: All volunteers must have an ANNUAL BCI check completed before being allowed to volunteer.** The form and information on how to obtain a BCI check can be found on the CSA Facebook page.

**CSA Facebook page:** Please join our Facebook page *Community School Association* (the page is private so you must answer the security questions to join)

**Cumberland School Volunteers (CSV):** You may also receive a volunteer form from the CSV in the coming months with volunteer opportunities and programs. We encourage you to complete and return this form as well.
