Welcome Community School Families!

2024-2025

The Community School Association (CSA) is asking for parent volunteers to help in your child's classroom. Each classroom teacher will be provided with a Parent Classroom Coordinator and a list of Parent Classroom Volunteers.

Parent Classroom Coordinator assists the teacher directly with the scheduling of Parent Volunteers to help with crafts, celebrations, projects in and outside the classroom, and other miscellaneous activities.

Parent Classroom Volunteers work with their respective Parent Classroom Coordinators. Duties will vary but include:

- Sending in supplies for a craft or celebration
- Volunteering their time in class
- Helping the teacher with photocopying
- Assisting the teacher with activities that can be done from your home
- Miscellaneous activities that come up through the year

PLEASE NOTE: All volunteers must have an ANNUAL BCI check completed before being allowed to volunteer. The form and more information on how to obtain a BCI check can be found on the CSA Facebook page.

CSA Facebook page: Please join our Facebook page *Community School Association* (the page is private so you must answer the security questions to join)

Cumberland School Volunteers (CSV): You may also receive a volunteer form from the CSV in the coming months with volunteer opportunities and programs. We encourage you to complete and return this form as well.
